WHITE LETTER NO. 07-04

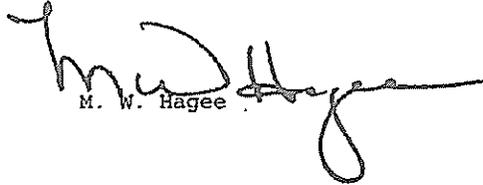

From: Commandant of the Marine Corps
To: All General Officers
All Commanding Officers
All Officers in Charge

Subj: NAVY MARINE CORPS INTRANET (NMCI) IMPLEMENTATION

1. Navy Marine Corps Intranet (NMCI) is vital to the future of our Marine Corps. It is the cornerstone of a secure, interoperable, and reliable network for the Navy-Marine Corps Team. The Marine Corps is set to obligate \$343M for NMCI in FY-05. We need direct Senior Leadership involvement in order to make this happen effectively and on time.

2. I need for you to pay particular attention to the accuracy of the data required to order seats. Accurate data is critical to the proper configuration, delivery, and installation of your Command's seats. To ensure NMCI orders are accurate and placed on time, I encourage you to review the NMCI Execution Discipline Policy (www.nmciinfo.usmc.mil).

3. Your proactive and direct involvement is imperative to ensure quality fielding of NMCI. I ask for your aggressive support in order to help make NMCI a success.
