

Aviation Training System

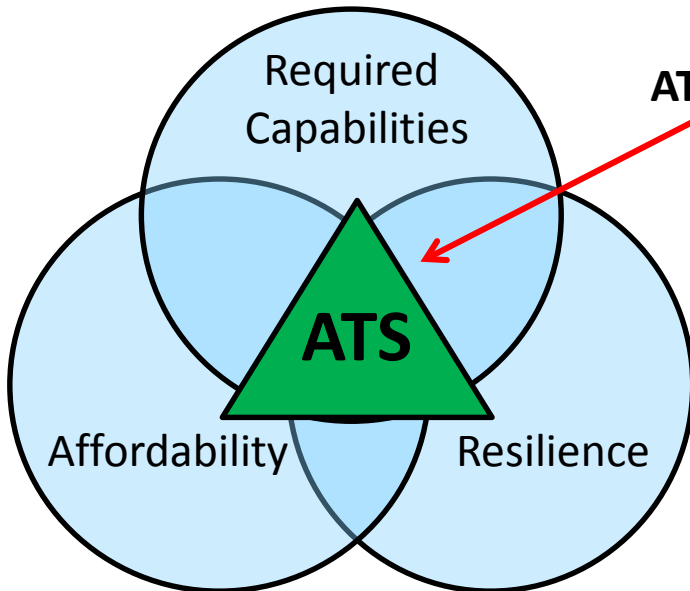

2d MAW ATS Enduring Priorities

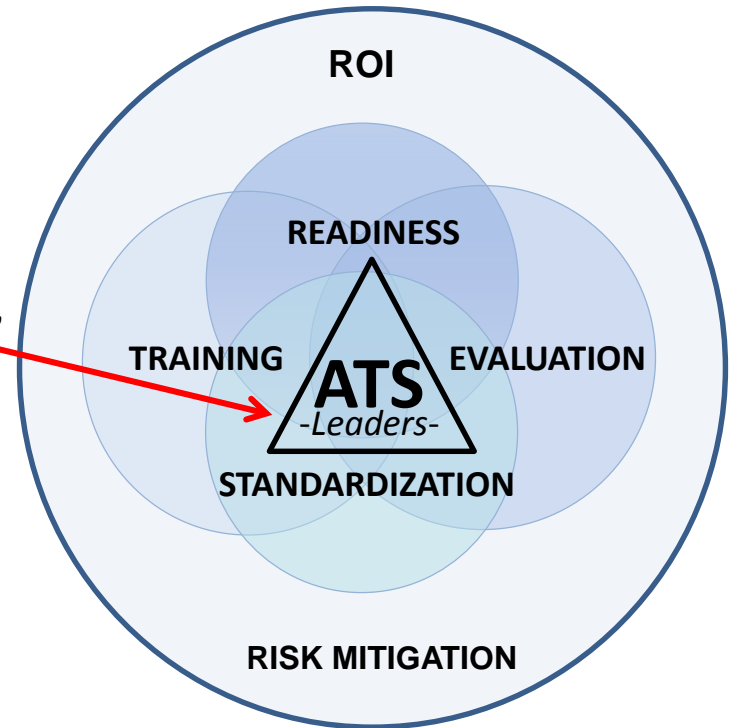

- Take care of our Marines and civilians.
- Gain/maintain situational awareness of and pursue emerging training capabilities to enhance readiness, training, standardization, and evaluation and make them efficient & effective.
- Strengthen ATS leadership and expand partnerships with senior, adjacent, and supporting commands and agencies.
- Enhance teamwork & communication throughout the ATS enterprise.
- People are our strategic asset. We know the highest calling of leadership is to unlock the potential of others.

ATS Mission

ATS, through its Marine Aviation Training System Sites (MATSS), prioritizes training and evaluation to prepare for combat, fully integrated with training, readiness, and evaluation standards, focusing on Live/Virtual/Constructive training across the MAGTF and COCOMS, leveraging emerging technologies & interoperability

ATS "sweet spots"

"Train to fight...Stan to win"
